This year we celebrate our 10th Anniversary and so we have some nice things planned for you at this small and friendly show.

For **Overall Best In Show** there will be a cash prize of **£20**, and if you are a Member of the club you will also get to hold our beautiful lead crystal trophy for the next year.

We have generous support from **Royal Canin** again this year, who have provided us with pen samples and prizes for Best In Show, as well as product vouchers for Olympian, Imperial and Grand Classes.

We are holding some special **Anniversary Classes** too - the winner of each of the classes will receive a bottle of bubbly sponsored by Landican Siamese and Orientals.

The winners of the **Seasons Classes** will receive a small gift sponsored by Landican Exotics.

We have held our basic entry fees this year and offer a discount to exhibitors with more than 2 cats to show.

We will be having a **Sweepstake draw** enter class 999 on your form and pay £1 per entry. The winner will take 50% of the class entry fees as a cash prize with the rest donated to the club.

If you have nothing to show, then why not put your **Superstars on Exhibit** - it's a great opportunity for us to see them again and nice for you to show them off!

Please consider **Sponsoring Classes** - from £5.00 per class and your name and dedication will be shown under the class heading in the catalogue. If you have nothing to show this year, this would be a super way of supporting us.

Specials are always welcome - let me know in advance if you would like to offer specials so that we can list them in the catalogue.

I hope that we will see many of you at our summer feline fest!

Pat Norman, Show Manager

SHOW RULES, PROCEDURES AND REGULATIONS

The show is held under the Rules of The Governing Council of the Cat Fancy and is open to all. A copy of these Rules is obtainable from the GCCF Office at 5 Kings Castle Business Park, The Drove, Bridgwater, Somerset TA6 4AG. These Rules must be read by all, for they are not repeated herein, but will be strictly applied. Ignorance of any Rule will not be accepted as excuse of their breach.

The Committee reserve, to themselves, the right to:

- a) Appoint other judges should those advertised be unable to fulfil their engagement, and to appoint further judges should they be required.
- b) Fix and limit the number of exhibits at the show.
- c) To accept or refuse exhibit entry without giving reason.
- d) Cancel, amalgamate or divide classes.
- e) Publish a catalogue of the show containing information as to the exhibits and names and addresses of exhibitors.
- f) Disqualify cats entered into the wrong classes by exhibitors.
- g) Retain a percentage of the entry fees to cover essential expenses, in the event of the show being cancelled for any reason.
- h) No other animals or pets will be allowed into the Show hall other than exhibiting Cats, Kittens and Neuters.

ELIGIBILITY OF EXHIBITS TO ENTER SHOW

PEDIGREE SECTION: All Cat, Kittens and Neuters of breeds recognised by, and registered with the GCCF, (except those registered on the Reference Register) are eligible for entry in the competition. To be effective for entry all registration and/or transfers must have reached the GCCF Office at least 21 days prior to the show. No Cat or Kittens, entire or neutered, born after 19.10.71, with one or both parents, grandparents or great-grand-parents unregistered shall be eligible for entry into any classes. Cats which are not normally resident with their owner should be transferred into the ownership of their keeper if they are to be shown. Exhibitors are reminded that in the event of rejection, all exhibits in the same registered ownership will also be rejected and clearance may be required for both households

HOUSEHOLD PET SECTION: All unregistered kittens and neuters of unknown or unregistered non-pedigree parentage are eligible for entry in the Non-Pedigree Section. Pedigree or half-pedigree kittens and neuters (registered or otherwise) or cats previously listed as "pedigree lookalikes" are eligible for entry into the Pedigree Pet Section. All Non-Pedigree cats six months of age and over must be neutered.

STATUS OF ERRORS - WHAT TO EXPECT

MINOR ERRORS. These warrant a notification for your reference if the error occurs more than once and it is apparent that registration details were available at the time of entry or before the date of the show. Continuous repetition of the same error after notification will be referred to the Executive Committee.

Examples of minor errors include:

- (a) minor spelling errors
- (b) separation of names that should be one word, and vice versa
- (c) administrative/breeder's prefix omitted from, or partially incorrect name given for exhibit
- (d) overseas title preceding the name of an exhibit, sire or dam, etc.
- (e) full breed number known but not given
- (f) Sire and Dam reversed or named incorrectly
- (g) breeder joint when single and vice versa

INCORRECT DATE OF BIRTH. This is usually classed as a minor spelling error unless it affects an entry into classes based on age groups, when it could warrant disqualification of the exhibit from such classes; but if the incorrect date of birth affects the age suitability as a whole, then the exhibit will be disqualified from the show.

NB AGE LIMITS: Kittens - not less than 14 weeks and under 9 calendar months on date of show.

Adults - not less than 9 calendar months on date of show

INCORRECT NAME OF EXHIBIT/OWNER/BREEDER. If registration/transfer details were obviously available at the time of entry or before the date of the show, disqualification is inevitable. The following discrepancies are those which usually arise:

EXHIBIT

- Totally incorrect name
- Incomplete Name/unregistered name added
- Totally incorrect name or names

REGISTERED OWNER

(EXHIBITOR)

- Joint when they should be single and vice versa
- Declaration not signed by registered owner(s)

N.B. The exhibitor(s) must be the registered owner(s) of the cat and **not** necessarily the person who actually takes the cat to the show

BREEDER

- Totally incorrect name or names

N.B. The breeder of a cat is **always** the registered owner of the dam on the date of the cat's birth.

REGISTRATION/TRANSFER NOT RECEIVED BY GCCF 21 DAYS BEFORE THE DATE OF THE SHOW: These entries will be disqualified. Remember the effective date of all registrations and transfers is the **first date of valid receipt by the GCCF** and if you enclose your own stamped addressed acknowledgement card with your application form, this will be stamped with the GCCF office date of receipt.

TRANSFER OF EXHIBIT FROM EXHIBITOR TO A NEW OWNER RECEIVED BY GCCF MORE THAN 21 DAYS BEFORE THE DATE OF THE SHOW. Entries such as these will also be disqualified as the exhibitor's entry form becomes invalid.

INCORRECT CLASS ENTRY. These will be disqualified from the class concerned — so always check with the Show Manager if in doubt about which classes to enter. If a breed number is changed officially, it is important that you notify the show Manager immediately.

CAT REGISTERED ON THE REFERENCE REGISTER. No cat registered on this Register is eligible to be shown and therefore these entries will be disqualified.

The only exception to this is when a new breed becomes recognised: and then, cats of the breed may be shown even if they are registered on the Reference Register as long as this was the only reason for the Reference registration.

ON ARRIVAL AT THE SHOW

Exhibits will be received at the entrance of the show hall from 9.00 am until 10.15 am on the morning of the show. **Exhibits must be brought to the show in a suitable, secure container, (top opening recommended) accompanied by their owner or the owners agent. If a cat cannot be easily removed from its carrier it will not be vetted in or judged for Best In Show.**

Each exhibit will be examined by the Honorary Veterinary Surgeons, who are authorised to exclude any exhibit they consider unfit. No exhibit may be penned before being examined. Vetting In Slips and exhibitors' passes will be issued at vetting in.

Exhibits must have clean ears and coats free from pests. No pregnant or lactating queen, nor queen who has kitted within 12 weeks of this show may be exhibited. No exhibit that has been declawed will be accepted, neither will male cats which are either monorchid or cryptorchid.

Unfit exhibits must be removed by their owners and payment forfeited. If in the Vet Surgeon's opinion it is desirable, all other exhibits from the same cattery/owner thereof shall be debarred from attending the show. **The Veterinary Surgeon's decision is final**

VETERINARY LETTERS

In the past, cats showing signs of skin lesions may have been allowed entry to the show on production of a letter from their Veterinary Surgeon stating the origin of the lesion, subject to the agreement of the Duty Vet. **THIS IS NO LONGER APPLICABLE.** Such letters are no longer accepted and any exhibitor presenting a cat with lesions indicative of ringworm are likely to be rejected. The GCCF Veterinary Officer recommends exhibitors do not take a cat to a show if it has any such lesion, however small.

VETERINARY CLEARANCE CERTIFICATES

Where an exhibit has been rejected or disqualified by a Veterinary Surgeon, the show managers shall obtain the reasons and accordingly notify the GCCF within 48 hrs. of the show, ensuring that a copy of the rejection form is forwarded to the exhibitors concerned.

Exhibitors whose cats have been rejected at shows should note the following points:

- a) When sending a Clearance Certificate to the GCCF Veterinary Officer, please include your copy of the rejection slip.
- b) DO NOT send certificates by recorded delivery as this can cause delays in receipt. If acknowledgement of receipt is required, please enclose a stamped addressed postcard for signature acknowledging receipt.
- c) Exhibitors should not attend shows until they have received a letter accepting and confirming clearance from the Veterinary Officer.

VACCINATIONS

All exhibits must have a current vaccination certificate against FIE, FVR & FCV (cat flu). The full course, or booster, must have been completed more than seven days before the show. The certificate must have been issued by a vet practice/hospital & the last entry signed by a Vet.Surgeon or by a listed Vet. Nurse under the direction of a Vet. Surgeon. Cats with an invalid vaccination certificate will be rejected under Section A. Cats unaccompanied by a vaccination certificate will also be rejected under Section A unless the exhibitor undertakes to provide proof of vaccination valid for that show by sending the vaccination certificate to the GCCF Office within seven days of the show. Failure to do so will lead to disqualification from the show and the cat's name will be placed on the rejection list until proof of vaccination is received in the Office. Ensure that the certificate is properly completed and clearly indicates the identity of the exhibit and the owner to avoid confusion resulting in rejection. HOMEOPATHIC VACCINATION cannot be accepted.NB A current certificate of vaccination is one which is not more that 7 days past the manufacturers interval between boosters

PRESENTATION AND BENCHING OF EXHIBITS

Take pride in presenting your exhibit. Be sure it is comfortable, warm and relaxed. Exhibitors must provide each exhibit with clean, white blankets, (plain woven, not cellular, without distinctive edgings or markings) of reasonable size to lie on (white Vet-bed or like material with white or green backing may be used if preferred), a white food bowl and food, a white water bowl with fresh water and a white sanitary tray, with the exhibit's usual litter. All show equipment can be purchased at the show. Food containers must be removed from the pen before judging commences at 10.30 am and can be returned after 12.30 pm. Water must be left in the pen for the duration of the show. Hot water bottles or heat reflecting material are the only heating devices allowed and must be concealed by the blanket. None of the equipment in competition pens must bear any distinguishing marks.

No written or printed matter of any kind, other than official notices and award cards may be put onto competitive pens, except with the permission of the show managers. "For Sale" notices are not allowed.

The use of grooming aids in the show hall, other than the use of a clean brush and comb or cloth is prohibited. No powder or grooming substance may be left in the coat of exhibits. Using products to enhance the colour of an exhibit is forbidden, and the use of any substance which change a cat's appearance or physical reaction is forbidden and will lead to disqualification, Such preparations are on open sale, often by stall holders, but we advise stringly against their use. This includes Skulcap and Valerian Compunds and Rescue Remedy.

Exhibits received into the show hall cannot be removed, without the permission of the show managers, prior to the closure of the show. Failure to observe this rule will lead to disqualification and forfeiture of any prize money and awards won.

The show closes at 5.00 pm or earlier at the show managers' discretion. There will be no early removal passes issued.

JUDGING AND JUDGES

Judging will commence at 10.30 am and exhibitors will be requested to clear the hall at this time until 12.30 pm, whilst the Breed and Title Classes are being judged. Judges are empowered to withhold any prize, award or certificate in any class if the exhibits do not, in their opinion, possess sufficient merit. Prizes will be awarded from the Judge's award slip and not from any catalogue or prize card. A Judge's decision is final. An exhibitor may not approach a Judge, nor enter into conversation with a Judge, until that Judge's engagement is complete.

COUNTERSIGNATURES

In the event of a change of Judge of a Breed or Title Class occurring after the closing date of the show, providing the exhibitor informs the show manager prior to judging that a certificate has previously been awarded by the replacement judge, the show manager shall appoint one other judge who shall judge the cat and if the cat is considered worthy countersign the certificate which shall then count towards the relevant title. If the replacement judge at the first show has also been previously booked for a subsequent show, the closing date of which is before the date of the first show and where the actual entry has been made and received before the date of the first show, then at the subsequent show this judge can be regarded as a replacement judge for the purposes of requesting a countersignature.

CHAMPIONS / PREMIERS

The title of Champion for cats and Premier for neuters shall be granted to exhibits winning three Challenge Certificates or Premier Certificates at three Shows under separate judges. A GCCF Challenge/Premier Certificate will be offered for each cat/neuter Breed Class of the recognised breeds with Championship status.

GRAND CHAMPIONS / PREMIERS

The title of Grand Champion will be granted to a cat winning three Grand Champion Challenge Certificates at three shows under three different judges. To compete in Grand Champion Class, a cat must be a full Champion. A Champion cat may only be shown in its Grand Champion Class. Only one prize with a Reserve in case of disqualification will be awarded. The title of Grand Premier will be granted to neutered cats under the same rules and conditions as those for Grand Champion.

IMPERIAL GRAND CHAMPION / PREMIERS

The title of Imperial Grand Champion will be granted to a cat winning five Imperial Grand Champion Challenge Certificates at five shows under five different judges. To compete in the Imperial Grand Champions Class, a cat must be a full Grand Champion. A Grand Champion cat may only be shown in the Imperial Grand Champion Class. Only one prize with a Reserve in case of disqualification will be awarded. The title of Imperial Grand Premier will be granted to neutered cats under the same rules and conditions as those for Imperial Grand Champion

OLYMPIAN IMPERIAL GRAND CHAMPION / PREMIERS

The title of Olympian Imperial Grand Champion will be granted to a cat winning five Olympian Imperial Grand Challenge Certificates at five shows under five different judges. To compete in the Olympian Class, a cat must be a full Imperial Grand Champion. An Imperial Grand Champion cat may only be shown in the Olympian Imperial Grand Champion Class. Only one prize with a Reserve in case of disqualification will be awarded. The title of Olympian Imperial Grand Premier will be granted to neutered cats under the same rules and conditions as those for Imperial Grand Champion

CORRESPONDENCE

All correspondence must be accompanied by a stamped addressed envelope if a reply is required. Any complaint related to the Show must be forwarded to the Show Managers within seven days of the show. **To prevent disappointment it is recommended that exhibitors enclose a stamped addressed postcard with their entries, to be returned as acknowledgement of receipt of entries.**

NOTICE OF CHANGE

An announcement in the official media of the GCCF of any alterations or additions made to this schedule or in these regulations shall be deemed sufficient notice.

SHOW WITHDRAWALS AND ALTERATIONS

The last date for withdrawal of a cat from a show is the advertised closing date for entries at that show. After this date the cat/s concerned may not be withdrawn, regardless of the circumstances, from the show and the Rule about entering shows within 13 days will apply. This ruling does not prevent Show Managers from returning entries after the closing date of the show if they are unable to accept them into the show because the show is full.

There will be no refund of entry fees after closing date. Withdrawal/substitution requests must be received in writing before the closing date. Corrections to your entry form can be made on show day up to the close of the show.

ALL ALTERATIONS AND/OR ADDITIONS TO ENTRY FORMS MUST BE MADE IN WRITING TO THE SHOW MANAGER

ADVICE TO EXHIBITORS - PLEASE DO TAKE NOTE:

Ensure that your cat(s) vaccination card clearly states their complete registered names and shows your own name and address as owner.

You are advised against purchasing any shampoos that change a cat's coat colour. Also be warned that you may be disqualified if an excess of powder is found in the cat's coat.

You are advised against the use of stress remedies, including Scullcap or Valerian, which change a cat's normal appearance and/or physical reaction as this will lead to disqualification under Section 4, Rule 14.

Any person whose cat(s) have been rejected under sections C and/or D must not officiate as a judge or steward, or in any capacity which requires the handling of cats at shows until a clearance certificate as required by the GCCF has been obtained.

The use of small battery driven fans in pens can be dangerous and could also be considered a distinguishing feature.

The use of any kind of spray in the hall is strictly forbidden.

Please note that in addition to the classes you have entered, your cat may be handled for the purposes of assessing candidates in the GCCF Judge Appointment Scheme.

Queens who have kitted within 12 weeks of the date of this show may not be shown

It is highly recommended that you clip the front and hind claws of your cat prior to the show

Exhibitors (owners) or their agent(s) are responsible for the cost of any veterinary treatment required by their cat(s) during their absence from the show hall.

Be careful when advertising in newspapers, magazine or on the internet as advertising your cat(s) future attendance at any GCCF show could lead to disciplinary action.

You are reminded that cats should not be left in cars under any circumstances.
