Subject: Re: Yorkshire County Cat Club

Dear Mark

Sorry to mess you around but could we change the wording of our proposal, please, as follows :-

“It is proposed that the operations of the Supreme Cat Show are separated from the Company by incorporating a new private limited company with share capital which will be a wholly owned subsidiary.
This would have the effect of isolating any financial risk on either the parent company or it’s subsidiary as the two companies would be treated as separate legal entities”

Kind regards

Jim Warrender
Hon Secretary
