GCCF TITLE CLAIMS

When an entire or neuter cat gains three Challenge/Premier, Grand Challenge/ Grand Premier from three different judges, the registered owner should send in a title claim to the GCCF Office so that the cat can be officially recorded as a Champion, Grand Champion, Premier or Grand Premier. When an entire or neuter cat gains five Imperial Grand Challenge/Imperial Grand Premier Certificates, from five different judges, the registered owner should submit a claim. When an entire or neuter cat gains five Olympian certificates, from five different judges, the registered owner should submit a claim for the Olympian title so that the relevant title of, Bronze, Silver or Gold can be issued by the Office after verification. Claims should also be made for UK Grand titles, for which two UK Grand Challenge or two UK Grand Premier certificates from two different judges are required. **The fee for a UK Medal, if required, is £20.00.**

It is only upon receipt of a claim from the owner that the cat's computer record is checked and noted with the title. This will then be displayed on future documents which include the cat, such as kitten registrations, transfers, pedigrees, etc. The Title lists for publication are also taken from the computer records. If there is no claim, there will be no recorded title and no publication. **It is up to the owner to ensure that all titles are recorded for posterity. To order an engraved medal the fee will be £16.50, which includes one free bar. Any subsequent bars are £8, except Olympian bars which are £10. If an engraved medal is required for the Olympian bar then the fee will be £26.50.** All GCCF titles are published on the GCCF Website.

Claims should be sent in as soon as possible after the show in which the qualifying award was achieved and before the cat is entered for a higher class at a subsequent show. Entry into a higher class without claiming the title will result in a reminder from the GCCF Office; the cat may be disqualified from subsequent shows until the title is claimed. The details required can be found in the GCCF advertisement found in most show catalogues but the ideal format of a claim is as follows.
