Comments:

N.B. GCCF Cat Records do not include owners' addresses once certificates are printed and therefore do not require updating for address changes only. Original certificates are still valid even though showing previous title/name/address but if you wish to have new certificates issued with your current details, please return original certificate with letter requesting change and an amendment fee of £13 per certificate.

*If you have changed your title and/or name, please list your breeding and showing cats overleaf with their registration numbers for their records to be noted with your new title/name as registered owner. (N.B. The BREEDER'S name remains unchanged once a cat is registered).
